## FOREIGN R-AIDERS STORM WASHINGTON Conservative Coalition Can Hold the Fort

The Kennedy frontiersmen have sent to Congress the worst foreign aid bill in the long, failure-studded history of foreign aid. The bills are H.R.7372 and S.1983. Some of the "novel" features of the bills are:

- (1) It will give to President Kennedy a 5-year, self-renewing pipeline into the treasury costing approximately \$2 billion yearly, thus unconstitutionally robbing Congress of the all-important Power of the Purse.
- (2) It will—in combination with S.1215 (exposed in LIBERTY LETTER No. 7) make it possible for your tax money to be sent directly to communist countries. Previously, such insanity was outlawed by the Battle Act.
- (3) It will increase the total annual foreign aid grab by over a billion, PLUS the \$2 billion noted above.
- (4) It will give to the America-last State Department vast new opportunities to squander our resources over the world and promote the international Communist human meat-grinder at the expense of America and the remaining free world.

Our foreign policy of monotonous disaster would crumble if the taxpayers flatly refused to put up with foreign aid a day longer.

To pass, the bills must move through committees; then to the floor. NOW is the time to get to work against it. The conservative Coalition can STOP the bills IF IT ONLY PUTS COUNTRY ABOVE PARTY AND STICKS TOGETHER.

THE LIBERTY LOBBY URGES YOU TO PROTEST H.R.7372 AND S. 1983. WRITE YOUR LEGISLATORS NOW; IF THEY ARE ON A COMMITTEE THROUGH WHICH THE BILLS MUST PASS (LISTED ON THE REVERSE) REDOUBLE YOUR EFFORTS.
